

Summer is almost over

Back to school, still hot, but hopefully some relief is on the way soon! We had another nice turnout of 25 members for our August luncheon meeting. Your participation and support for MOAA is welcomed and appreciated. We have an exciting program scheduled for our September 1st meeting, with Jim Langley, one of our members, will be speaking on “Wilson's Raid through Alabama: the last cavalry charge of the Civil War”. It should be interesting, so please come and join us. See more about Jim and his talk herein.

We still are not certain when we may start having Danberry provide our meals; so, in the meantime, we will continue to have a catered buffet as our venue. It seems to be working OK as I have not heard many complaints. One of the problems though that we do have, is that we have had some no shows for lunch; members that RSVP and then do not attend the luncheon. This causes a problem since the Chapter has to absorb the meal cost for these members. So please try to make the meeting if you have RSVP'd. If you cannot, please let us know as soon as you can, so we can in turn notify the caterer of the change. Thanks, and your cooperation is appreciated!

For now, I believe we must assume that our meals will be catered unless we notify the membership otherwise. An RSVP email will be sent out closer to the meeting date with details. We will do our best try to at least pin down the maximum cost per meal at that time. Our **meeting date is Thursday, September 1st** and it will be in the evening, **social at 6:00 and dinner/program at 6:30.**

CHAPLAIN'S CORNER

I think most of us love holidays. Most of these times bring joy into our lives and memories of family and friends gathering for food and fellowship. September brings with it on that first Monday each year "Labor Day." It is a day when we thank God for providing us with meaningful work as well as set times of rest. We ask God to rejuvenate our spirit so we might approach our work and daily lives refreshed and ready to serve.

And then there is another "holiday" in September which is much less celebrative but more contemplative. "Patriot Day" is a time of "Remembering 9/11" and the tragic attack on our nation by terrorists. Our memory brings much hurting to those who lost loved ones and friends. As we remember the many lives lost that day, we also remember the heroic efforts of the first responders. We are all humbled by the brevity of life. In our prayers on "September 11" we shall ask God to preserve our nation from future attacks and guard our hearts from the attacks of the evil one.

May we live this day and every day in the light of eternity. Amen

President's comments continued from page 1: It is with great pleasure that I announce that our Chapter has once again been awarded National MOAA's Level of Excellence five-star award for 2021. This is a great credit to the time and effort that several of our members contribute to make this happen. I am grateful to all, and it is certainly a team effort.

And don't forget the Ladies luncheon on September 21st! Invitations have already been sent out. Donna does a great job with the lunch and program, so please plan to attend.

So much for now...a little long winded this month. Everyone enjoy the rest of your summer, take care and we look forward to seeing you at our September meeting!

LEGISLATIVE UPDATE

(visit Legislative Action at <http://www.moaa.org>)

President Signs Comprehensive Toxic Exposure Reform Legislation by Kipp Hanley

A signing ceremony at the White House on August 10, 2022, marked the end of a long legislative road to comprehensive toxic exposure reform, with the Sergeant First Class (SFC) Heath Robinson Honoring Our Promise to Address Comprehensive Toxics (PACT) Act of 2022 set to expand health care coverage to millions of veterans. The bill's passage came as part of a combined effort from MOAA and more than 60 other veterans service organizations, alongside veterans and their families, other advocates and advocacy groups, and a bipartisan group of legislators from both chambers. The bill adds nearly two dozen conditions to a list of ailments presumed connected to toxic exposure by the VA; while the legislation includes a timetable for this change, President Joe Biden announced at the signing the VA will move to make these changes immediately. The bill also expands VA research into burn pit-related illnesses and improves VA's screening process for those illnesses.

MOAA Urges Lawmakers to Pass Key Veterans Health Care Legislation by René Campos

On August 3, 2022, MOAA priorities were shared at a roundtable hosted by Sen Jon Tester (D-Mont), Chair of the Senate Veterans' Affairs Committee. Many of the veteran service organizations in attendance had similar priorities and focus. MOAA's priorities, as shared with the roundtable are:

1. [Securing VA appropriations](#) before the start of the new fiscal year.
2. Prioritizing and accelerating access to [caregiving, long-term, and extended care programs](#).
3. [Stabilizing and modernizing the VA workforce](#) to address increased workloads as a result of increased mission requirements and significant staffing shortages.
4. Passing provisions to [improve access to mental health and suicide prevention services](#), including reducing copayments for behavioral health visits.
5. Expanding access to [dental care to veterans](#).

While the VA and Congress continue to make progress on many of these priorities, MOAA urged the House and Senate Veterans' Affairs Committees to remain focused on ensuring the department gets the resources and funding it needs to accomplish mission requirements. Without requisite funding to meet these requirements, the VA is not able to deliver the benefits and health care veterans need. Each year, federal budgets are at risk of operating under stopgap funding – for months on end in many cases. Continuing resolutions (CRs) have become more the norm rather than the exception. With the recent signing of the Sergeant First Class Heath Robinson Honoring Our Promise to Address Comprehensive Toxics (PACT) Act, the VA needs timely and predictable funding to implement this historic legislation. CRs impede VA's ability to implement this law and other critical legislation passed in recent years — legislation allowing the VA to modernize its health care and benefits system to deliver the life-saving services and benefits veterans, servicemembers, their families, caregivers, and survivors depend on.

Some Senators Still Not Supporting Concurrent Receipt Legislation by Mark Belinsky

The Major Richard Star Act (H.R.1282/S.344) supports over 50,300 combat-injured with concurrent receipt of service-earned retired pay for longevity and VA disability who are subject to an offset where their retirement pay is reduced for every dollar of VA disability received. To reduce DOD retirement pay for earned years of service because of a VA disability rating is an injustice and MOAA continues to build support for the Star Act. The Alabama Senators Shelby and Tuberville have not signed onto the Star Act. Calls and messages are needed to influence them to co-sponsor S.344. Use MOAA's Capital Hotline (866) 272-MOAA (6622) – toll free line to the U.S. Capitol switchboard - to connect with their office

ID CARDS

DoD: No Further Extensions Planned for Expired ID Cards!

Many of us have had our ID cards automatically extended due to the COVID. However, that indefinite extension is now ending on January 31, 2022. If your ID card has an expiration date that is past or expires this month, you will need to renew it ASAP. There are several locations that you can do that here in the Birmingham area, just google "military ID card renewal near me" and a bunch of them will come up. Some may require an appointment and be sure that you have the needed documentation when you go; they can tell you what you need when you call.
