

**It's hot outside!**

Congratulations to Linda DeMarco for being honored at the May meeting as the chapter spouse of the year! See photos in pages below. Linda is a hard worker, a great asset to the chapter and thank you for all that you do for us.

We are going to start our summer luncheons meetings with a picnic at Veteran's Park on Valleydale Road on June 1st. It will be at one of the three pavilions at the park and start at 4:00 PM. It should be fun, and I look forward to seeing everyone there! I'm sorry I missed the May meeting; I hear Niki's talk on Easter Island was great. He is a fantastic speaker, and we will look forward to having him back sometime again in 2024.

I had the pleasure this past month to present the MOAA Junior ROTC medal to a deserving cadet at Hoover High School. This is the first time that I had the opportunity to witness their awards ceremony and I was thoroughly impressed! There are over 90 cadets in the Air Force JROTC program, and they do some amazing things. They presented over 100 medals and awards to deserving cadets and Col Moulton does a great job as their program commander.

We have had some turnover on our board of directors recently. If you or someone you know may have an interest in serving as a board member, please let me know via our chapter email, [contact@moabirmingham.org](mailto:contact@moabirmingham.org). Thanks.

Take care and everyone have a great summer! I look forward to seeing you at the picnic.

Respectfully,  
*Don & Patricia*

## CHAPLAIN'S CORNER

**Flag Day** is celebrated on June 14. It commemorates the adoption of the flag of the United States on June 14, 1777, by resolution of the Second Continental Congress. The Flag Resolution, passed on June 14, 1777, stated: "*Resolved, That the flag of the thirteen United States be thirteen stripes, alternate red and white; that the union be thirteen stars, white in a blue field, representing a new constellation.*" May our Flag continue to fly proudly representing the nation of the free and home of the brave.

The United States Army also celebrates the **U.S. Army birthday** on this date; Congress adopted "the American continental army" after reaching a consensus position on June 14, 1775. Happy Birthday!

Of course, we celebrate "**Father's Day**" on the third Sunday of June each year. We thank God for the men who hold firm to God's guidance in bringing up children who respect others, honor our country, and love their families. We pray for strength for all "Fathers" as they face the *unique* challenges of today's society. God bless our flag, our military arms, all fathers, and this Nation.

Blessings,

Dan Phifer

Chaplain (LTC-Retired)

### OUTSTANDING SPOUSE OF THE YEAR

Linda DeMarco was awarded Outstanding Spouse of the Year at the May meeting by Lynn Phifer, Surviving Spouse Liaison.

June is a difficult month for surviving spouses. Fathers' Day occurs and opens the door for new grief as widows and children are missing their loved ones.

Another reason is because June is the most popular wedding month. This means many surviving spouses are recalling that wonderful day many years ago or more recently when they said, "I do".

Reading an article in the April 2023 issue of "Military Officer", written by Patricia Kime, entitled, "Preparing for a Military Sponsor's Death, and What to Do When It Happens", inspired some thought-provoking questions which I want to share. First, we need a checklist. Having crucial details listed will help you and family members. Correct names need to be on every account and asset. This includes mortgage, vehicle titles and financial accounts. Ensure that the DFAS, SBP and DEERS paperwork have correct survivor/ beneficiary names. Also, keep an updated file with all policies, computer and phone passwords and code words. As Gail Joyce, our national MOAA Surviving Spouse Liaison says, "Troubles arise when people don't do their due diligence beforehand, not taking care of things that are easy to take care of."

Once a Military Sponsor dies, there are many phone calls and contacts to be made, including the funeral home and DFAS. When planning ahead, the spouse and other family members will have an easier time dealing with the necessary activities at the same time they are grieving. It is a gift to plan.

We plan ahead on many things that might happen, such as a car accident or a house fire. Shouldn't we plan ahead on something that will happen?

Sending good wishes to all.

Sincerely,

Lynn M. Phifer

Surviving Spouse Liaison

### ID CARDS

#### **DoD: No Further Extensions Planned for Expired ID Cards!**

Many of us have had our ID cards automatically extended due to the COVID. However, that indefinite extension is now ending on January 31, 2022. If your ID card has an expiration date that is past or expires this month, you will need to renew it ASAP. There are several locations that you can do that here in the Birmingham area, just google "military ID card renewal near me" and a bunch of them will come up. Some may require an appointment and be sure that you have the needed documentation when you go; they can tell you what you need when you call.
